

Sessa Key Largo 27

The very image of youth, while at the same time elegant and refined, for the new KL 27, this open 8m model that bends all the rules of the game. Its square nose and curvaceous fins evoke the elegance of a shark. Comfort and relaxation characterize the cockpit thanks to a large L-shaped sofa transformable into a sun bath on the stern and to the counter space with kitchen sink, hotplates and refrigerator, all found under the pilot seats.

Below deck there is a single imperative: maximum functionality. A separate bathroom with WC and sink make this boat unique in its category.
