

Sessa Key Largo 34

For its inboard version of the KL34, SESSA has created an ergonomic design where life onboard is centred around the stern. The KL 34 inboard, in fact, offers: an exceptionally wide bathing deck covering the engines for safe swimming with the children, a sun deck that can be further extended by folding down the back of the sofa, a large cockpit with a central fold out table and a pleasant cocktail area with a teak kitchen unit complete with sink, fridge and ice-maker.

Price: £ 292,651 inc Vat

Builder/Designer

Year: 2014

Construction: GRP

Engines

No. of Engines: 2

Make: Volvo Penta
